

SET RECYCLING OPTIONS RESOURCE GUIDE

As of 7/6/2009

Please advise BGA on any potential vendors that are not listed.

ALL IN ONE SERVICE:

Augliera Trucking

203-937-9080

Rob Augliera

(e) Info@augliera.com

www.augliera.com

Augliera provides 'Trash' Trucks for Post Production Load-Outs. Materials are partially re-purposed, recycled, or land-filled. Reports are issued after trailers are unloaded showing how items were disposed.

Theater Biz Recycling

718-392-3304

Eva Radke

(e) info@filmbizrecycling.org

www.filmbizrecycling.org

A part of Film Biz Recycling, a non-profit organization, TBR provides 'Trash' Trucks for Post Production Load-Outs. Materials are partially re-purposed, recycled, or land-filled. Reports are issued after trailers are unloaded showing how items were disposed. Works closely with Meserole Recycling, Materials for the Arts, NYC Wastematch to achieve highest level of re-use and re-purposing with local NYC arts organizations and schools.

Showman Fabricators

718-935-9899

www.showfab.com

SFI provides full take-back service for all projects it builds. Scenery is trucked back to Showman warehouse and re-purposed and recycled with a minimal amount sent to landfill.

REUSE / RE-PURPOSE OPTIONS:

Build It Green

718-777-0132

Justin Green

(e) justin@bignyc.org

www.bignyc.org

BIG collects useable construction materials and resells to the public at greatly reduced pricing. They take clean construction materials, doors, windows, hardware, fixtures, cabinets, flats and platforms, etc. They have limited trucking. They take deliveries at their Astoria warehouse, but large deliveries need to be cleared.

Provides tax-deduction for all contributions.

Materials for the Arts

718-729-3001

(e) info@mfta.org

www.mfta.org

MFTA collects donations of usable items that are given to NYC not-for-profit arts organizations and schools. On-site warehouse space is limited, but they will list larger items on a list-serve for direct donation. MFTA is best option for props, furniture, electronics, soft goods and fabrics. They have limited trucking. Best to drop-off at their LIC warehouse. Provides tax-deduction for all contributions.

NYC WasteMatch

212-650-5832

Mary Ellen McCarry,

(e) info@wastematch.org

www.wastematch.org

NYC WasteMatch locates users interested in re-use of items. Best results are dependent on some lead time on what items are available, description of items and pictures if possible. They have successfully located homes for substantial portions of sets and works closely with Theater Biz Recycling. Trucking needs to be arranged separately.

Rebuilders Source

718-742-1111

(e) info@rebuilderssource.coop

www.rebuilderssource.coop

RS collects useable construction materials and resells to the public at greatly reduced pricing. They are an excellent option for clean construction materials, doors, windows, hardware, fixtures, cabinets, etc. They have a larger facility than BIG so have a larger capacity to take certain items. There is limited trucking so it is best to deliver to Bronx warehouse. Larger deliveries need to be cleared for space. Provides tax-deduction for all contributions.

Set Recycling Hotline

212-650-7566

Julia Rubin

(e) setrecyclinghotline@yahoo.com

www.setrecyclinghotline.org

SRH locates theatrical users interested in using parts of sets for other productions. Best options if plan early and have photos of sets. They work with NYC WasteMatch. Trucking needs to be arranged separately.

ROLL-OFF DUMPSTERS:

General note: Ask for LEED reports for Construction and Demolition (C&D) waste. This will ensure a much of the material is recycled as possible and will give you reports as to the break-up of your materials and what can be recycled.

Filco Carting

718-456-5000

John Okun

(e) jokun@filcocarting.com

www.filcocarting.com

Filco is affiliated with Meserole Recycling and provides recycling services for Theater Biz Recycling. They provide recycling services and roll-off dumpsters as well as larger tractor trailers. On request, they can supply LEED reporting.

Royal Waste Services

(718) 468-8679

Eric Bliss

(e) info@royalwaste.com

www.royalwaste.com

RWS provides recycling services and roll-off dumpsters. They provide recycling services and roll-off dumpsters as well as larger tractor trailers. On request, they can supply LEED reporting.
